devolo Powerline – the best Wi-Fi solution!

Wi-Fi 6 | Plug & play | 3-Year manufacturer's warranty | Developed in Germany

Package contents:

devolo Magic adapters are compatible with all routers, network devices, devolo Magic adapters and products certified by HomeGrid Forum. dLAN® Powerline adapters and other HomePlug AV products, including the devolo Outdoor WiFi Powerline adapter, are not supported. Data protection notice: Using the existing Internet connection, the firmware of the device is automatically checked and updated as necessary. In this instance, the public IP address is collected and deleted immediately after the update.

The transmission rate is based on the technological specifications under ideal conditions. The actual data rate may vary depending on the network environment (distance, network traffic, neighbouring networks, noise on electrical lines, quality of the electrical installation, etc.).
