| PRODUCT | |
| Product name | Sage the Group Head Cleaner |

I am responding to your request for labelling in relation to regulation N°1272/2008 concerning the product : Sage the Group Head Cleaner.

The table on the following page lists the elements required for compliance with CLP Regulation N°1272/2008 in English.

The following mandatory information related to the General Product Safety Regulation is considered to be outside the scope of this report:

- The name and address of a contact within the European Union
- Country of manufacture if the product is manufactured outside the European Union
- Nominal content (volume or mass)
- Precautions for safe use
- Minimum durability date or period after opening
- Batch number for traceability purposes
- Product function to prevent misuse

Similarly, mandatory information related to the regulation of detergents 648/2004 is outside the scope of this report.
