Information on Regulation (EC) 1907/2006 - REACH

Dear Sir or Madam,

Environmental protection is an essential part of our company policy.
Therefore, we are pleased to confirm that we have initiated all actions required to
avoid any problems with REACH.

We regularly examine the candidate list of ECHA of "substances of very high concern"
(SVHC) regarding relevance for our products.

If the delivered articles contain substances of the currently valid candidate list
according to item 59 (1) of the regulation (EG) No. 1907/2006 („REACH“) above 0,1
weight-%, the information can be found in the attached product list.

If used in accordance with the designated use, no danger to health or the environment
emanates from these substances. The use of these substances is in accordance with
applicable provisions of statute. Safety instructions are not required.

If you have specific questions about sustainability that go beyond the information
we have provided, please feel free to contact us at the following email address:
sustainability@karcher.com.

This information is based on our current state of knowledge and the current legal
position.

Kind regards

Alfred Kärcher SE & Co. KG
